Website Maintenance Program

The Website Maintenance Program (WMP) includes: updates to your website, such as editing of text on your current pages, name changes of current category/normal/sub/hidden pages, rearranging data and/or pages, additional links (internal, external, and hyperlinks), and select additional features (pictures and slideshows).

Updates are to be sent via email once a week (every Thursday). Updates to your website will be completed within 24 hours of receiving your email on Thursday; you will receive an email stating your updates have been completed.

This WMP **does not** include: additional pages, select additional features (such as calendars, forms, and shopping). If any of the mentioned features are required, the prices listed on the Rate Sheet will be charged over and above the WMP fees unless otherwise arranged with your consultant.

WMP fees are as follows, please check one:

- Monthly: \$209.93
- Quarterly: \$535.32
- Semi-annually: \$1007.10
- Yearly: \$1,889.37

I, _____ of _____, understand and comply with the WMP provided by Ehrler Computer Consulting, and will pay for this program at the beginning the month, quarter, semi-annual, or year.
